

### Permission To Use Images and Statements

In consideration of my engagement as a subject for photographs, video images and stories, I give **Monadnock Developmental Services (MDS)** the absolute right and permission to produce and use photographic and/or video images of, or statements from \_\_\_\_\_ for use in publications, television promotion, or social media.

I understand photographs, video images, or statements may be used in all forms and media, for public information purposes including educational, recruitment and promotional purposes, news releases, displays, websites, social media, video presentations, advertisements, and brochures.

I waive any right to inspect or approve finished products, including, but not limited to written copy, photograph(s) and /or videos, and willingly waive all claims for compensation for such use or for damages.

If the person photographed is under 18 or has a court appointed guardian, I certify that I am their parent or legal guardian and I give my consent without reservation to the foregoing on their behalf.

I understand that I can rescind permission at any time by giving Monadnock Developmental Services written notice of revocation. I also understand MDS may not be able to retract images produced during the time permission was granted.
